MICHAEL KORS

Letter from Michael

HOORAY FOR SPRING!

I am in a sunshine state of mind! I am so ready to shed those heavy winter layers and embrace the sweet-smelling spring and I know you are too! For me this season is all about colors and textures from nature. I can't get enough white- it's so refreshing when the weather changes...nothing beats all of the natural tones of peanut, hemp and pebble. They work with everything in your wardrobe. I'm in love with bright, optimistic pops of color like daffodil, iris and grass. So much of this collection was inspired by my own life - from the garden on my terrace to my summer spot by the beach - it's all about enjoying the outdoors and enjoying life. Happy Spring!

XOXO

Michael's Must-Haves

Silver Aviators

We make these season after season because they are so classic - especially for Spring, my silver aviators are a must-have in your tote bag. They're casual enough for a day at the beach but will keep you looking chic for an afternoon of shopping. The quickest way to movie star glam.

pg.37

Silver Square Chronograph

Love this shape as an architectural variation to my classic round faced chronograph. For anyone looking for something a little different, this watch is totally timeless yet feels super modern.

pg.11

pg.4

Grey long sleeved ribbed tissue pullover

This is the perfect lightweight sweater to wear all season long. Great over everything from shorts to a bikini, and with white jeans, it's instant Jackie in Capri.

pg.21

Bleached Jean Shorts with Belt

I love these fab bleached shorts. They have such a cool rock'n'roll vibe. The side zip is super sexy and the narrow looped belt gives them a luxe edge. They look great with everything from tanks and tees to your boyfriend's sweater.

Campbell Croc Sandal in Luggage

The perfect blend of super luxury and comfort in a chic crocodile pattern that only gets better with time. These sandals are my favorite with everything from long dresses to shorts and jeans....

pg.20

Peanut Faux Croc Hamilton

My fave classic bag, the Hamilton in the softest peanut faux croc looks great with everything from jeans to dresses. The perfect blend of uptown chic and downtown edge.
